APRESENTAÇÃO

Os processos de terras foram entregues ao Arquivo Público do Estado em setembro de 1983, pela Coordenadoria de Legitimação e Cadastramento de Terras Devolutas - COLECATE, da Secretaria de Estado da Agricultura e do Abastecimento, por solicitação e preocupação do Diretor do Arquivo Público do Estado, Sr. Iaponan Soares de Araújo (exercício 03/03/1983 a 07/12/1988), com a destinação desses processos que seriam o descarte, por razão da microfilmagem, realizada pelo Processamento de Dados de Santa Catarina – PRODASC.

A guarda dos processos ao Arquivo Público do Estado, foi com o objetivo de preservar o original, disponibilizando somente para consulta e devido à importância desses documentos para a história da ocupação do solo catarinense.

Junto com os processos vieram também, 2.913 gavetas de madeira, onde estavam arquivados esses documentos e a reprografia da relação dos processos descritos a lápis e datilografados. Os processos a princípio foram transferidos para caixas de arquivo de papelão, e no período de 2005 a 2007, foram higienizados e acondicionados em 2.792 caixas poliondas, pela Supervisão de Conservação e Restauração de Documentos do Arquivo Público do Estado.

Os microfilmes estão disponíveis para consulta e impressão na Gerência de Assuntos Fundiários da Secretaria de Estado da Agricultura e Desenvolvimento Rural, em Florianópolis.

O **Índice Geográfico dos Processos de Terras** é provenientes da antiga Diretoria de Terras e Colonização, do Instituto de Reforma Agrária de Santa Catarina - IRASC e da Coordenadoria de Legitimação e Cadastramento de Terras Devolutas - COLECATE, pertencentes à Secretaria da Fazenda, Viação, Obras Públicas e Agricultura, depois Secretaria de Estado da Agricultura, datados de 1874 a 1977. Esta Secretaria tinha como competência os assuntos relativos à agricultura, comércio e indústria, estradas, vias férreas, pontes, canais e obras públicas em geral, limites, navegação, mineração, correios e telégrafos, terras, colonização e imigração.

A Série Processo de concessão de terras registrada neste índice, trata sobre o colono, imigrante europeu ou brasileiro que obtinha a concessão de terras por compra, e o título definitivo de propriedade só era expedido após a quitação da dívida. Contém dentro dos processos documentos como: planta do terreno, caderneta de campo, memorial da medição e demarcação das terras, requerimento, título definitivos de terras, etc.

A metodologia adotada para descrever o Índice, segue o mesmo modelo utilizado pela Secretaria de Estado da Agricultura e estão arranjados por ordem geográfica dos 147 municípios catarinenses, e subdividido por: ordem onomástica do requerente da concessão de terras; área de terras; data; número do livro de títulos definitivos das terras; folhas do livro e a localização do número da gaveta/caixa, onde estão arquivados os processos.

A digitação deste índice teve início em 13 de abril de 2009, e foi realizada por Andressa Coutinho, Tatiana Possenti Pinto Dias, Fernando Luiz, Elenice Zabel, Vinícius Lino Bastos, Paulo Henrique Campos, num total de seis pessoas, entre bolsistas, digitadores e recepcionista. A revisão, bem como, a impressão e a disponibilização para acesso online do Índice a partir da Base de Dados do Arquivo Público do Estado foi realizada pela funcionária Giovania Nunes, Bibliotecária, Especialista em Gestão de Arquivos, sob a Supervisão de Arquivo Permanente, Biblioteca de Apoio e Pesquisa e Supervisão de Processamento Técnico.

Para recuperar as informações contidas nos processos e nos livros de títulos definitivos de terras se faz necessário anotar o nome do requerente, o número do livro e da folha, bem como, o número da gaveta/caixa.
